## WALTRIP HIGH SCHOOL PTO 2025 - 2026 COMMUNITY/FAMILY PARTNER PROGRAM

### Community Partners & Waltrip Families,

The Waltrip Parent Teacher Organization's (PTO) mission is to enhance our student's educational experience and support our staff through fundraising and volunteer efforts that touch all aspects of life at Waltrip. Last year, we were able to double our PTO membership, provide educational grants to teachers for classroom needs, bring joy to our staff with snack cart days and appreciation events, and organize fun and entertaining social events for the students (and parents!) We organized a campus cleanup over the summer, and we are constantly working to improve and rehabilitate our facilities through donation and volunteer efforts. Also, our class reps are already busy planning fundraising events to offset the cost of senior year expenses for each class.

This year our two major fundraisers are Jazz on 34th, and Waltrip DJ Bingo – these events are a great way for the community and parents to come together to socialize, and help raise money to boost the ability of the PTO to work for our students and the Waltrip family!

We are also seeking the gracious financial help of area businesses and families of Waltrip. Our two fundraisers provide monies for teacher grants but there are other capital projects and campus improvements that require additional support. For example, this year we are looking to provide water bottle filling stations throughout our campus.

We need your help to accomplish our goals, so please consider joining the PTO or being a Community/ Family partner this school year, sponsorship levels are detailed below! We are so grateful for you!!

Please Stay connected with us through our newsletter, Instagram, and Facebook. We can't wait to see you all at the Waltrip events this school year!

Thanks for your consideration,

Michelle Schoene  
Waltrip PTO President
